We, David A. Whelan, Gregory M. Gutt, Barton G. Ferrell, and Clark Cohen, citizens of the United States residing at 5 via Emilia, Newport Coast, CA 92657, 18308 Mill Ridge Terrace, Leesburg, VA 20176, 152 Oakland Drive, Troy, IL 62294, and 643 D Street, SE, Washington D.C. 20003, respectively, declare:

That we made and conceived the invention described and claimed in patent application:

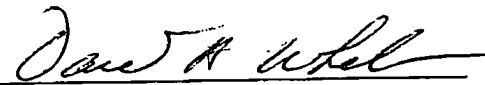

Serial number 10/720,736 filed in the United States on November 23, 2003, titled, GPS ACCESS SYSTEM AND METHOD.

- I. That we made and conceived this invention while employed by The Boeing Company;
- II. That the invention is related to the work we are employed to perform and was made within the scope of our employment duties;
- III. That the invention was made during working hours and with the use of facilities, equipment, materials, funds, information, and services of The Boeing Company; and
- IV. The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

The undersigned inventors declare that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be

true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title XVIII of the United States Code and that such willful such statements may jeopardize the validity of the application of any patent issuing thereon.
